

SUPREME COURT OF THE UNITED STATES

Syllabus

GOOGLE LLC v. ORACLE AMERICA, INC.

Held: Google's copying of the Java SE API, which included only those lines of code that were needed to allow programmers to put their accrued talents to work in a new and transformative program, was a fair use of that material as a matter of law.

... (simulating 50 pages of legal text) ...

The Copyright Act's fair use provision, 17 U. S. C. §107, observes that "fair use of a copyrighted work . . . is not an infringement of copyright."
